

BLADES OF INFO

W.F.S.C.

Hello everyone! We hope every thing is well with you and your family. Our season has been a busy one and we are wishing success to all skaters. We would like to inform you about upcoming happenings in the club.

Elites:

This program is progressing quite well and we are always having auditions to keep it growing. The jackets that have been ordered in January will arrive shortly. Check at the office in the next week or two. The second payment is due by the end of February, please go to the office to sign and receive your charge slip or make sure your cheque is available. Also, please make sure your skater's measurements have been given to the coaches for the show costume.

Levels:

We would like to inform you that all levels will be part of the show on Sat. May 10, 2008. Please make sure your skater's measurements have been given to the coaches for the show costume.

The final payment for the season is due. There will have to be an adjustment to the payments if your skater skates on Mon., Tues., Wed., Thurs., as we will be ending the season with the show on Sat., May 10, 2008. The previous registration date was to end Thurs., May 15, 2008. The costume charge of \$25.00 will need to be added to all skaters fees. Therefore, we will make an adjustment on the last payment. Check in with Silvana in the office to finalize everything.

Board of Directors:

We are always seeking volunteers for various tasks. Currently, we have a member who updates our web page (www.wfsc.ca), another who helps in the office updating canskaters boards for 1 hour on Tues., and some assisting with the show. We would like to **thank** those for their time and assistance. If you can help out at any time, please feel free to come in to the office when you can and we will definitely appreciate it.

We always welcome new board members. We meet once a month to discuss the general operations of running the club. If you are interested, please check at the office for the next date or give your email address to Silvana and we will be happy to inform you of the time and date. Remember the Annual General Meeting is coming up in April and we need to have a high percentage of our membership to attend in order for us to keep our Skate Canada membership valid (which means insurance, competitions, testing privileges, etc...)

If you have any comments or concerns, you can contact us through the web site or leave a message at the office.
